I would like to skip these loans in (select one) November December January
 Please transfer my \$25 for each loan from Acct# _____ Checking Savings
 I've enclosed a check for \$25 per skipped loan

I understand that skipping my payment will extend my loan(s). This will not affect my payment record since the skipped payment will be added to the end of my loan(s). Interest will continue to be calculated on the outstanding balance. Payments will resume in December 2024, January 2025 or February 2025, respectively. I also understand that, if applicable, credit insurance coverage will expire on the original loan maturity date.
